

Greater Capital Region Teacher Center
for Effective Teaching

Presents

Physics Teachers Professional Study Group

The Greater Capital Region Teacher invites all physics teachers throughout our region to meet and study issues of common interests, share resources, form networks, and receive feedback on classroom lesson content and implementation. The initial meetings this winter were so successful, participants requested additional opportunities to meet and share! ALL interested physics teachers are invited. **Note: meeting will be held at Siena College.**

Faciliator: Paul Fedoroff, Physics SAR, Eastern Section STANYS, and Physics Teacher at Burnt Hills-Ballston Lake CSD.

Questions? Contact Paul Fedoroff, pafedoroff@bhbl.org or go to <http://www.teachercenter.org/programs/mst/index.cfm>
